

Offer ZLEC 16/102487 date 16/12/15
WINDOOR - KEN MCCULLAGH ALT

page 1

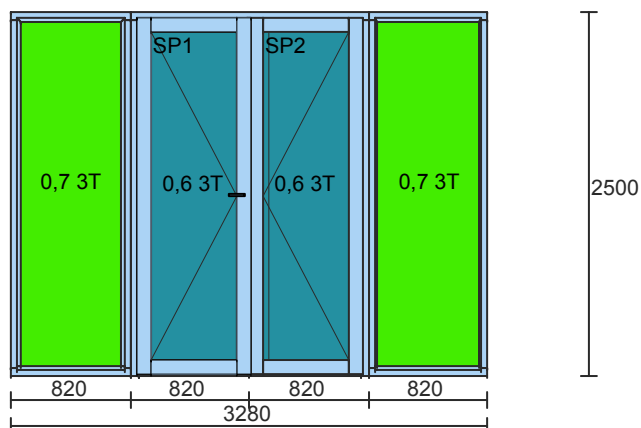

WINDOOR is pleased to offer high quality, energy-efficient windows and doors. Our products in outward opening alu-clad system DURWIN are manufactured from laminated pine, meranti and oak. We equip our products with IPA fittings. All our products are factory finished with 4-layer waterborne, transparent or opaque paint system supplied by PPG Sigma Coatings. Standard RAL colours of alu-clad are: 1013,1033,3002,3003,5010,5013,5015,6005,6029,7001,7016,7035,7042,8001,8003,8007,8011,8017,8019,9005,9006,9007 and 9016. Standard low emission glazing packages are: (4-16-4) - $U_g=1,1$ W/m²K and (4-16-4-16-4) - $U_g=0,6$ W/m²K. Approximate heat transfer coefficient U_w is specified next to each position in the offer.
Price include set of handles.
All positions are viewed from the outside.
Offer is valid for 30 days.
